

Infosys

Your Launchpad into India's AI-First IT Giant

Placement Prep Deck for B.Tech Freshers | 2025-26 Batch

20,000 freshers hired annually · Training at Mysuru GEC · Packages from Rs. 3.6 to 21 LPA

Why Infosys?

5 reasons it belongs at the top of your placement list

1	Scale: ~300,000+ employees, 50+ countries — global career possibilities from Day 1
2	Stability: CEO confirmed ZERO layoffs in 2024-25. 20,000 freshers planned for FY27
3	Training: Global Education Center, Mysuru — world's largest corporate university
4	AI Future: Infosys Topaz AI platform + partnerships with OpenAI & Anthropic
5	Multiple tracks: SE (Rs. 3.6L), DSE (Rs. 6.25L), SP (up to Rs. 21L) — pick your ambition level

Hiring Process

Two entry paths, three core stages

Register free at infytq.infosys.com → Complete Foundation or Master Certification → Get directly contacted for interviews	Apply via career.infosys.com or InfyCampus college drive → Aptitude Test → Technical Interview → HR Interview

Round 1	Online Aptitude Test (95 min)	Quant (10Q/25min) + Logical (15Q/35min) + Verbal (20Q/35min) + Pseudo-code/Coding (for DSE/SP only)
Round 2	Technical Interview	DSA problems (Java/Python), OOPs, DBMS, OS, Final-year project discussion, live coding
Round 3	HR Interview	Communication, relocation flexibility (Mysuru/Bengaluru), behavioural scenarios

Technical Stack

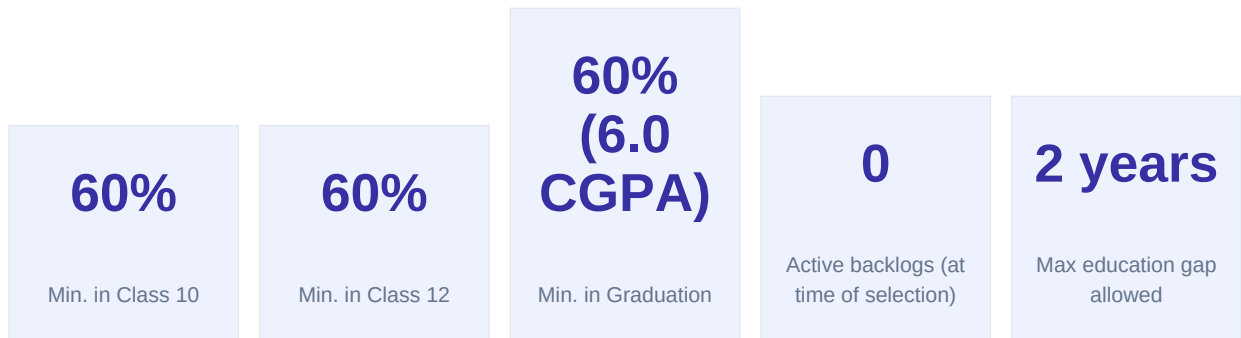

What Infosys tests and what you need to know

Languages	Java (primary) · Python · C++ · C#	Must know at least one well
Web / Full Stack	Spring Boot · React · Node.js · REST APIs	For DSE track
Databases	SQL · MySQL · Oracle DB · NoSQL basics	SQL is always tested in interviews
Cloud	Microsoft Azure · AWS basics · GCP	Familiarity expected for DSE/SP
AI / Data	AI/ML fundamentals · Big Data · Infosys Topaz	Growing focus area FY26 onward
Testing / DevOps	Selenium · JUnit · CI/CD pipelines	Nice-to-have for SE, expected for DSE
Core CS (interviews)	DSA · OOPs · DBMS · OS · Computer Networks	Every round tests these

Note: CI/CD and Kubernetes are nice-to-have for SE role, NOT required skills per official JD. Focus on Java/Python + DSA + SQL fundamentals first.

Eligibility Criteria

Know the cutoffs before you apply

Eligible degrees: Full-time BE / B.Tech / ME / M.Tech / MCA / M.Sc

Eligible branches: CSE, IT, ECE, EEE, AI/ML, Data Science, and all CS-allied branches

Eligible batches: 2024, 2025, and 2026 pass-out batches (for current drives)

Important: On-campus drives may have a higher cutoff (65% in B.Tech at some colleges) depending on the college-level agreement with Infosys. Confirm with your TPO.

Recent News

What's happening at Infosys in 2025-26 — and why it matters for you

GOOD NEWS

No layoffs + 20,000 freshers planned (FY27)

While TCS laid off ~12,000 and Cognizant cut ~4,000 jobs, Infosys CEO Salil Parekh confirmed zero layoffs in FY25-26 and 20,000 fresh campus hires planned for FY26-27. Source: BusinessToday, PeopleMatters (Apr 30, 2026)

AI PIVOT

Topaz + OpenAI + Anthropic partnerships

AI contributes ~5.5% of Infosys revenue (growing). Infosys Topaz Fabric is being scaled internally. Freshers are trained to build code AND evaluate AI-generated code. Source: PeopleMatters, Outlook Business (Apr 2026)

WATCH OUT

300+ freshers terminated for failing Mysuru assessment (Feb 2025)

Infosys let go of 300+ onboarded freshers who failed its internal training assessment at Mysuru after three attempts. This policy is 20+ years old. Clearing the placement test is only Step 1. Source: Careers360 (Feb 2025)

5 Prep Tips for 3rd-Year Students

Concrete, actionable steps you can start this week

1

Register on InfyTQ today (free)

Go to infytq.infosys.com now. Foundation cert → DSE track (Rs. 6.25L). Master cert → SP track (Rs. 8-21L). Don't wait for final year.

2

Solve 150+ LeetCode problems

Easy for SE, Medium for DSE/SP. Focus: Arrays, Strings, HashMap, Trees, DP, Greedy. Aim for 200+ Medium before campus season.

3

Solidify 4 core CS subjects

OOPs (4 pillars with code), DBMS (SQL joins, normalization), OS (process vs thread), CN (TCP/IP basics). These appear every round.

4

Prepare your project pitch (3 min)

Problem statement → your role → tech stack used → challenge solved. Practice aloud. Interviewers always ask this.

5

Register for HackWithInfy

Annual national coding competition by Infosys. Top performers get direct offers for Power Programmer / SP roles. Watch for registration in 3rd year.

Start Preparing This Week

Infosys is hiring 20,000 freshers. Your competition starts preparing today.
